**SUBJECT: HOUSING LOCATORS PROGRAM BIMONTHLY REPORT FOR THE PERIOD OF SEPTEMBER 2007 TO OCTOBER 2007 (BOARD ORDER #32 – JULY 25, 2006)**

This is to provide your Board with the first bimonthly CalWORKs Housing Locators report for the period of September 2007 to October 2007. As in the past, the report is broken down into two parts, with the first page providing referral and placement data, and the second page providing the cities and zip codes where permanent housing was found.

The Housing Locators Program was implemented on September 5, 2006. With your approval, DPSS contracted with two agencies, Del Richardson & Associates (DRA) for 7 Service Planning Areas and Weingart Center Association (WCA) for SPA 4 only, to assist our homeless CalWORKs Welfare-to-Work families in finding and securing permanent affordable housing.

In September 2007, you instructed DPSS to provide you with bimonthly reports that should include not only statistical data, but also new approaches being implemented to strengthen the Housing Locator Program. We have begun implementing some of the strategies outlined in our November 2007 memo and are in the process of implementing additional ones. We anticipate being able to report on the initial results of the new strategies in our next bimonthly report which will cover the months of November and December 2007.
